# How To Make A Dog Go Crazy

One way to make a \_\_\_\_\_<sup>Noun</sup> go crazy is knocking on anything that will make a big loud \_\_\_\_\_<sup>Noun</sup>.

Second is to tease a dog with his/her own toy or you can get food and swirl it around in front of his face. Next run after or with dog in house or outside. Then you can also get a vacuum \_\_\_\_\_<sup>Noun</sup> and make the cleaning part go towards the dog making him/her \_\_\_\_\_<sup>Noun</sup> at it. You can also stand outside of the house while your dog goes nuts trying to get to you. You can also wait until your dog falls asleep then wake him up and keep doing this every time he/her tries to fall asleep in that hour. When your dog goes into a different room then call their name until your dog stays in the same room as you. If you give a dog bread with peanut \_\_\_\_\_<sup>Noun</sup> they will start licking their chops nonstop. You can also grab a mask of your choice and come towards your dog and the dog will not know who you are. You can also make a dog go crazy by taking food upstairs and \_\_\_\_\_<sup>Noun</sup> over and over again until he/she doesn't want to \_\_\_\_\_<sup>Verb</sup> you anymore.
