Gearing up for softball

Do you want to play and don't know what you need? I'll help. First go to a sporting store,
is the best choice. You will need a glove,helmet,bat,batting gloves, a face mask
and a ball bag. I recommend a mizuno glove, any tipe of helmet is fine but make sure it has a face mask, an
easton bat, under armour batting, a rip-it face mask, and a easton or boomba ball bag. What
league should I be in? If you go in the minor league you should be in the age range of 8-10 in the major leagues
about 11-13. Juniors 13-16. Do you want to play the infield, if so you need to be good at fielding and throwing to
first. The outfield, to play the outfield you have toverb - Present ends in ING able to catch the ball from the air
and throw to your cut-off. When you're batting, you need to learn signals for example bunt the coach
hishis And you need to be able tell if it is a strike or ball. If you consider
pitching, you will need to have time in the day to pitch at least 50 balls a day. If you want to catch you need to be
pitcher have to know there for the right pitch and the right spot. This is the game and
everything you need to know about it, and I hope you consider playing the game now.
