# Amazing day

I just a/an Adjective day! It happened on day of the week, my mom told me we were going to the store. I hated going to the store. I asked my mom if I was Adjective, would I be able to get the Noun game I wanted. She agreed to it, when we got to the store Mom got everything we don't need. she got Noun paper that we don't need because we have Number rolls already and only Number bathrooms. She also got candles but it was no one's birthday. I finally snapped. "Can we just go home?" She did not like to hear me Verb - Base Form like that. "Strike one, you got Number left." While she was shopping I didn't say another Noun. She asked me if I wanted to go to the Noun - Plural. I said "talking to me, that wouldn't even be a Noun!" We also ate at place. And when we got home I Verb - Past Tense the Noun and played it all Noun long.
