## Cars

One day, Ricky Bobby's car broke down. He called me and asked if I wason his car problem.
So I called Jon and together went to go see what the problem was and it was extravagant.
Jon decides to go get a new motor while Bobbyabout his day. Meanwhile I have this tome on how
get this vast 8.0L V10 motor out. SoBobby was but I ignored him and continued with my job.
Bobby was going
Jon came back with aengine. But that new 8.0L V10 was just a few inches too big. I mentioned to
Jon that the motor was exorbitant but what did he say? So? So we spend the next few weeks modifying the car
and the motor itself. It became clear that the motor still didn't fit and we had moreto do. Jon
thought I wasbut when it come to this kind of stuff I'm totallyabout it.
Just a few minutes after thecomplaining Bobby!! He yelled that he wants the motor at a
Noun Noun . If we're notenough we might not be able to get it close enough. So
it's about another six hours of fine tuning and performance. "Man my mom could cook a better motor than that!!"
; said whiney Bobby. Yeah well your moms the worst cook and the both of us thought the same. Whew!! Alright
that should about good enough! Alright here's your pay Jon and Adam.

day after Ricky yet again called me saying he wrecked. What are you trying to do street race? Cause your obviously pretty baddd.
