# XYZ

True, we filled the twitter feed with ACL promo for weeks and maybe we got a little carried away. But we were just so \_\_\_\_\_ Adjective \_\_\_\_\_ about ACL this year because we had big product news to announce. Another game-changer--the new Ticket UI--destined to make you and your team uber-productive.

We are so glad more than # attendees were there to hear the news firsthand and get a sneak peek. In fact, it was such a hit at \_\_\_\_\_ Proper Noun \_\_\_\_\_, John Moore, site editor, TechTarget, wrote an in-depth article spotlighting it and featured Autotask customers sharing what a new Ticket UI experience means for their business.
