Spelling Words 10-31

The other day I was outside walking down the street. There was a lot of _____^{Noun} going on. I was on my way to see the _____^{Noun}. I was going to get my teeth cleaned and checked for cavities. I came upon the building where the office was located. There were _____^{Noun} to climb to get into the building. As I was climbing the _____^{Noun} I tripped and fell. I fell hard and could not move my leg. Luckily, a woman passing by had her _____^{Noun} with her so she used it to call my _____^{Noun}. I was told to go to the emergency room. In the emergency room I was told that I broke my leg. I had to wear a cast and take medicine for the pain. After I left the hospital I had to stop at the _____^{Noun} to pick up my medicine.
