my facial blemish

One day, I woke up with a piece of excrement on my Part of Body. When I realised what was on my Repeat

Last Part of Body, I Verb - Past Tense out of Noun faster than a Animal! I rushed to the room of house to get the excrement off me, but however hard I scrubbed, it just wouldn't come off. "Right," I Verb - Past Tense to myself. Time to get rid of this excrement once and for all.

I contacted the local excrement stain remover and he came to my house really Adverb. After examining my excrement stain, he told me that it would never come off ever in my whole life. He left and I Verb - Past Tense down in my favourite Noun and Verb - Past Tense all day and night.

The next day, when I Verb - Past Tense around town to get Noun, I was laughed at and hit with plural food. I had to go to Noun to get my cuts stitched up. What a day...
