I asked her if she (wait) for class, but she _____^{Noun}_____ that the professor was at the front of the hall lecturing while she (talk) to me. I couldn't believe she (make) a phone call during the lecture. I asked what was going on.

She said her biology _____^{Proper Noun}_____ was so boring that several of the students (sleep, actually) in class.

Some of the students (talk) about their plans for the weekend and the student next to her (draw) a picture of a horse. When Angela (tell) me she was not satisfied with the class, I (mention) that my biology professor was quite good and (suggest) that she switch to my class.
