## Item 28. B

I was a \_\_\_\_\_<sup>Noun</sup> of some sort. I'm not clear on whether this was literal or physical. But I was one. I liked it.

I was being coerced to film a \_\_\_\_\_<sup>Noun</sup>. I woke up in \_\_\_\_\_<sup>Location</sup> with my hand on my \_\_\_\_\_<sup>Noun</sup>

.  
It was made all the more \_\_\_\_\_<sup>Adjective</sup> being that I share a bed with my \_\_\_\_\_<sup>Noun</sup> currently. More on that later.

Pushing that aside, I closed my \_\_\_\_\_<sup>Noun - Plural</sup> and went back to sleep.

\*dissolve\*

The second dream was more appropriate. I'm not exactly sure where I'd landed this time around.

I was floating in \_\_\_\_\_<sup>Noun</sup>. Meters away, I could see a \_\_\_\_\_<sup>Noun</sup>. There was a purple jellyfish swimming circles around me. It was giggling. Something about \_\_\_\_\_<sup>Noun</sup>. \_\_\_\_\_<sup>Adjective</sup>. It was joined by \_\_\_\_\_<sup>Noun</sup>. Then another. I became \_\_\_\_\_<sup>Adverb</sup> in the blink of an eye. They circled me as they moved closer. Their chatter became unbearable.

It

was a clear, cold, crisp night. I was at an \_\_\_\_\_<sup>Noun</sup> with \_\_\_\_\_<sup>Noun - Plural</sup> whose faces I never saw. At one corner of the \_\_\_\_\_<sup>Noun</sup> there was a large standing \_\_\_\_\_<sup>Noun</sup> attached to a tree bough. Rather I assumed it was. Couldn't be bothered to lift my chin and see it. The assumption worked well enough. There was a \_\_\_\_\_<sup>Noun</sup> on it. They looked so out of place. Hanging over the intersection and oncoming traffic; completely unconcerned with their own safety and well-being. They flailed and gestured as they spoke. They were yelling sounded like a \_\_\_\_\_<sup>Noun</sup>. Curiosity got the best of me. I moved closer. I needed to know what they were saying. I was about four paces away when --

I stood atop a \_\_\_\_\_<sup>Noun</sup>. Though water crashed into and around me with \_\_\_\_\_<sup>Adjective</sup> \_\_\_\_\_<sup>Noun</sup>, I remained unmoved. I had a(n) \_\_\_\_\_<sup>Noun</sup> in my hand. I was sure it didn't belong to me. So I let it go. Rather, I tried. It refused.

So I tried again. Over and over. Again. I was so frustrated, I screamed. It sounded like a \_\_\_\_\_<sup>Noun</sup>.

I jumped.
