## I was held hostage in a Hobo Hole!

I was looking around for a pet <u>Noun</u> in <u>Place</u> when a Hobo came and took me to a <u>Adjective</u> pit, tied me up, and said <u>Talking</u>! I had a <u>Food</u> in my pocket and gave it to him. To my surprise, when he stuffed the <u>Same food</u> in his mouth, he chewed it up and spat it on the ground. A <u>Animal</u> came and ate it. The hobo had a <u>Large thing</u> as hat covering his entire head, including his face. He wore a <u>Color</u> <u>Animal</u> tied around his neck as a scarf and he said, <u>Talking</u>.
