# HCDE 322

It is now week 10 of the quarter and all the \_\_\_\_\_ are \_\_\_\_\_ since it is dead week.

These \_\_\_\_\_ all took a class about teamwork and thought it was \_\_\_\_\_.

Our instructor Michael was a \_\_\_\_\_ lecturer and made class \_\_\_\_\_.

We learned about our \_\_\_\_\_ personalities, communication is key, and icebreakers in college are still \_\_\_\_\_

\_\_\_\_\_.

In addition, we did activities like creating an \_\_\_\_\_ tower out of spaghetti sticks and marshmallows, prototyping a super \_\_\_\_\_ timer, and we even had a whole class krump dance battle,

oh wait no we didn't but I wish we did. Overall, the class taught the \_\_\_\_\_ how to be

\_\_\_\_\_ team \_\_\_\_\_, resolve \_\_\_\_\_ conflicts, manage our time \_\_\_\_\_

\_\_\_\_\_, and listen to alternative ideas and perspectives. Finally, I think all the \_\_\_\_\_

after taking this class are ready to go into the real world and kick \_\_\_\_\_!
