Peter's Story

I was one of the best in the and I had a P.H.D in mathematics, engineering, and basically every subject i could get into, and there were a lot. It's surprising how easy it was to hack into school computers. But back to the story I decided to get a parole to see Thomas and how he'd been. So I asked for a parole and of course they said yes, cause they were Noun (It's kinda the 31st century).	"Get out of there Peter!", yelled running in front					
"Peter no we got through this once already im not coming back for you."	"I won't make it! Go on without me Proper Noun!" Proper Noun yelled looking back at the guards					
"I don't care as long as one of gets out of here alive."	chasing them. "I'll stop them."					
"I don't care as long as one of gets out of here alive."	"Peter no we got through this once already im not coming back for you." yells back at					
But that was 5 months ago. Me and my friend were trying to escape this god for saken hell hole, the Proper Noon state prison. When got out they put me in for questioning and a new, like that was gonna help. I can get out of here with the blink of an eye I was one of the best in the and I had a P.H.D in mathematics, engineering, and basically every subject i could get into, and there were a lot.
