The Event

The day of the [_____Adjective_____] event was here. I [_____Adverb_____] jumped up from bed thinking [_____Adjective_____] this day is going to be [_____Adjective_____].

By the time I got to work, I already had [_____Number_____] texts from the [positive or negative _____Adjective -_____] Ends in EST part timers but I don't let it bother me because I know once i get to the [_____place_____], this event is going to be [descriptive _____Adjective_____].

I just hope that all of the [_____Noun - Plural_____ noun] are in place or I am going to [_____Verb - Base Form_____] off to the [_____place_____] and forget about this [_____Adjective_____] event.
