# A Special Recipe For Hot Chocolate

There is nothing more comforting than a/an \_\_\_\_\_, frothy hot chocolate to warm up your \_\_\_\_\_ on the coldest \_\_\_\_\_ of winter. Here is a recipe that has been passed down for generation to generation in my \_\_\_\_\_ family. Pour one cup of \_\_\_\_\_, one \_\_\_\_\_ of half-and-half, one tablespoon of vanilla, and the two ounces of semisweet \_\_\_\_\_ into a/an \_\_\_\_\_ pan. Place it on the stove and heat at \_\_\_\_\_ degrees for \_\_\_\_\_ minutes. Stir \_\_\_\_\_ until the chocolate melts. Pour the liquid into two \_\_\_\_\_ mugs and serve with a dollop of whipped \_\_\_\_\_ on top. If you add some atmosphere, your \_\_\_\_\_ will taste even better: Enjoy your drink in front of a/an \_\_\_\_\_ fireplace or while watching the \_\_\_\_\_-flakes fall outside your window.
