The break up

You decided it would be Adjective - Comparative for us to just be Noun - Plural. I don't want to live my life just being your Noun forever. I want so Adjective for us to be Adverb. I'm trying not to let you see just how bad you've made me Adjective. You've started Verb - Present Tense someone new. It Verb - 3rd Person Singular Present so Adjective. There's nothing I can do, except Verb here and Verb about what we once had. Please Verb that you've Verb - Past Tense me so Adjective.
