# Teh little Cat.

One day there was a Adjective Animal named First name. He was quite the Adjective Animal doing his Adjective Animal things every day-such as licking his Noun Verb ending in ing at Noun Noun (plural) and Verb ending in ing up next to a Noun and Verb ending in ing off.

One day, First name decided to go for a Verb. He Verb (ending in ed) outside-not knowing the dangers of the outside world. He ventured all around town, but he Verb (ending in ed) when he got to the highway. Dozens of cars were Verb ending in ing Direction (left south forward etc.) and Direction (left south forward etc.) and he couldn't figure out how to cross! So, being the Adjective Animal First name was, he began his way across the street. He ran as Adjective as he can, and as Adjective as he could, Verb ending in ing all the cars he could, Conjunction right before he Verb (ending in ed) the other side, an Animal Verb (ending in ed) down from the sky and Verb (ending in ed) on to First name with its Noun and Verb away!!! No one ever saw the little Animal First name again.
