31. Verb - Past Tense

My high scool days (and what I learned from them)

My name's First Name of a Person . It has been ______ long years since I graduated high school. Oh those were the days Back in high school, I was the nerdy type of person. The type of person that the school bully, _____, would Verb - Base Form in the Noun - Plural everyday. Once, Repeat Last other name Verb - Past Tense my lunchbox, and then hit me in the <u>Part of Body</u> with a <u>Noun</u>. But enough about that anyways I had a few ______ Adjective _____ hobbies when I was in high school. I was captain of the Noun team, and I also loved Noun and Noun - Plural . My Adjective - Ends in EST hobby though, would have to be ______ Verb - Present ends in ING ______. I loved Repeat Last Verb - Present ends in ING anything I could get my <u>Adjective</u> Part of Body On. I learned a ton of <u>Adjective</u> things in high school. One of the most <u>Adjective</u> lessons that I learned was that you can <u>never or always</u> trust a <u>Noun</u> No matter how many <u>plural noun</u> you <u>Verb - Base Form</u>, they will always Repeat Last Verb - Base Form One more. The second lesson is that you should <u>never or always</u> date a girl named <u>female name</u>. She was the most Adjective , Adjective girlfriend I have ever had infact, she is the only one I ever had Repeat Last female name, please call me.

last lesson I learned is that you should always listen to your <u>Verb - Present ends in ING</u> friend. You don't know

Past Tense that.
