On a _____ Adjective and _____ Adjective Monday, Colin watched the clock on his computer with _____ Noun as the time neared 10:00. With every passing moment, another _____ Adjective bead of sweat appeared on his forehead. This was the moment they'd all been waiting for. All the training, all the meeting, this is what it was about. Was it enough? Was everyone prepared? Or will it all come _____ Verb - Present Tense down around them? Chantae's voice _____ Verb - Past Participle him out of his _____ Noun, and he noticeably _____ Verb - Past Tense. "Sorry, what was that?" he asked. "I said, have you seen Crystal?" Chantae replied. "Last I saw her she was in her office, rocking back and forth and muttering to herself at her _____ Noun. This Supernova thing has got everyone on edge." Colin said _____ Adverb. Chantae thought he seemed _____ Adjective. She didn't have _____ Noun for that right now. "Hey what time you got?" he asked after a moment. Chantae was already _____ Adverb _____ Verb - Present Tense toward Crystal's office, but managed to shout "9:57!" in Colin's direction before getting out of earshot. At her reply, Colin visibly _____ Verb - Past Tense.

"This has got to go off without a hitch. If it doesn't there'll be two Supernovae happening today. And one of them will leave an Orange asterisk-y _____ Noun everywhere.' Crystal thought to herself. "Hey lady, you ready?" came Chantae's voice from the doorway. "Ready as I'll ever be. Is it time?" "Sure is. Don't worry about it, you've got this!" Crystal nodded, folded up her _____ Noun, and _____ Adverb walked out to the floor.

What she saw when she arrived at the inbound side, was not what she expected. Everything was running smoothly,

everyone was working together. Every Noun that came through Slack or on the floor was
Adverb answered. Every tough topic that got Verb - Past Participle through the Supernova channel
was quickly attacked by a Dropboxer. They were like knights in Adjective blue and white armor! Even
Colin, who moments ago looked like a lost Noun in a room full of Noun cats, was walking
around smiling and helping with a new-found courage. "This is why I love this team! With our fantastic
leadership and these Adjective people, we can handle anything!" Crystal thought to herself out loud.
