Mission To Vanzilla

The three kids, _____, _____ and _____ are
_____ on something _____ and _____ and successfully woke up the kid
_____ exactly at _____: _____! _____ tells him, "Get
dressed!". He does what _____ tells him. And then _____ says, "We have
a mission, young boy." What mission?, cried _____. "It's a surprise!", whispered
_____ to Tyson.

"Get in the car.", said _____. Everyone followed _____ to the car. "Wait!
My stuff! It needs a pack to the car!", cried _____. At 6:30 AM, everything is packed fair and
square, so they were ready to go to the airport, but the car conked out! So they team up to build a plane with
auto-pilot and everything! They all move stuff to the car to the plane, Dot puts some fuel in the plane. Now the
plane is headed towards Royal Oak, MI. Tyson is with Dee while Dot and Del are driving the plane. After 5-10
hours of flight later, they have made it real to Royal Oak, MI. They have rode bikes to get to the house they were
looking for, "And the surprise is revealed!", Dot exclaimed. "Vanzilla?", Tyson replied. Dot pushes a big red
button to reveal the surprise mystery. "Vanzilla!", Tyson, Dot, Dee and Del cheered. "The dream you have
always wanted since September. Where that girl drives you home after a bus takes a wrong stop." Dot said. "All
those dreams... one about the old bus at school and Vanzilla, one about the girl leaving and forgetting you're
going and talking along the ride, the game, the Mickey Park drive, and the episodes. Yeah, those are very great
dreams." Dee said. "We can watch over your night dreams and daydreams, young boy." Del said. "I also know
the

surprise dream. It was also about Vanzilla." Dot said, again. "Now let's get to work!" Dee exclaimed. "Dot! Somebody left the project on the driveway! Command!", Del cried. "Dee, give the project to the person in shotgun, while everyone else, get in the car.", Dot commanded. "Jump, left, jump, jump, left!", Del whispered. "You did it!", everyone cheered. "Now to do the same thing as before but to the 2nd back right door. Jump, right." , Dot whispered. But then, the car was starting, and there was no way for Dee to get in the car. So eventually, Dee ran, and Dot yelled, "Quick! Grab hold!" So Dot, Del, and Tyson pulled as hard as they could. But Dot let go and Dot, Dee, Del, and Tyson flew around the car. They landed on the floor of the car with a CRASH! Sound. "What was all that?", Dot asked as they left the piles of dirty clothes. They had no choice but to double seatbelt the way back until the kids got off. When the kids, Dot, Dee, Del and Tyson landed with a THUD! Into the seat. They all got together and they lived happily ever after. The end.
