The Funny Dog

Once upon a time there was a dog. This dog loved to play fetch. The only problem was that this dog would
anything, but he would even play by himself. He would carry out of the closest and throw
them in the air for hours. He would take his food out of his bowl and throw it up and down. This
never stopped
small and wasn't attached to a wall. Wanna know what that funny dog did? He tried to pick up the
table. He was biting that leg and trying to fit it in his mouth.
