# The day that change our lives

One day we each got a phone call from \_\_\_\_\_ Proper Noun \_\_\_\_\_. She was so \_\_\_\_\_ Adjective \_\_\_\_\_ and \_\_\_\_\_ Adjective \_\_\_\_\_!

Why did she call us? What did she want from us? Who is this person anyways? She wanted to know if we would

be interested in participating in a \_\_\_\_\_ Number \_\_\_\_\_ year program that would result in us gaining our Masters

Degree in \_\_\_\_\_ Adjective \_\_\_\_\_ Education! What a \_\_\_\_\_ Adjective \_\_\_\_\_ thing to do!
