# the blind battle

\_\_\_\_\_ person one and \_\_\_\_\_ person two are both enemies. They have been enemies for \_\_\_\_\_ Number years, and they want to change that. "well, \_\_\_\_\_ Repeat Last person two," \_\_\_\_\_ Repeat Last person one said, "what are you going to do now, huh? run away? well, let me tell ya human! can't run now. there's only me, and you."

"well. No, i am not going to run. I am going to destroy you fully! right 'til the big boom!"

"oh yeah? let's see about that."

they started a battle. \_\_\_\_\_ Repeat Last person one, the stronger one, herls \_\_\_\_\_ something that you throw plural like no one else could, \_\_\_\_\_ Repeat Last person two on the other hand, has absolutely no training what so ever! "guess you need some training? okay, take this."

another \_\_\_\_\_ something that you throw, and yet another one. \_\_\_\_\_ Repeat Last person two got turned into a \_\_\_\_\_ Noun!

"help me, someone, anyone!"
