Annoying Little Sister

Aggggh! My little sister is so rude and Adjective and, you don't even know the half of it. Sometimes, she makes me so Verb i could Verb. One time my sister used the Noun and she threw my tooth brush in the Noun. My breath smelled like it for a month. I went online and looked up YouTube videos on how to Verb. She regretted ever messing with me again. She got me one time with the fall in the Noun joke. i didn't like it for a bit. I did the Noun again and she didn't know what Noun her. Finally, she stopped trying to mess with me except for today. Oh, today was the Adjective day in the world. She did the most humiliating Noun in the Noun. right when i got on the bus she told me to go in front of her before we got on. when we both got in front of the Noun. She Verb me! Everyone saw. I was about to Verb when I got in my Noun. I sucked it up and remembered, I have to be the Adjective person.
