Drink suggestions (improved)

Are you sick of drinking beer and wine that tastes like? You could change it up and try
fermented or wine made by putting baby in a bottle of rice wine and
letting them ferment. Not really the you're looking for ?
Then try Chicha, one of the most beverages on Earth. It's made from kernels of Noun
that have been chewed by a Sounds, right ? Or how about
? The Chinese believe this beverage helps with impotence and loss. The Inuit
might win the for the most Adjective alcoholic beverage. Take one Adjective
, stick it in the and then fill it with and let it verb
After days drink up, maybe that beer you're drinking now doesn't taste that Adjective
after all.
