## Carmen 84

"Hopporunity" he was saying he wished to verb opportunity
And Proper Noun Arrius was saying "hambush,"
And then he was that he had spoken wonderfully
Whenever with as much effort as he he said "hambush."
I, thus his mother, thus his free,
Thus his Preposition or subordinating conjunction grandfather and Noun he said.
With this having been sent into, everyone's found relief:
They were Adverb - Comparative the same thing more verb - Past Tense and more lightly,
Nor were they Adjective fearing such words,
When suddenly the message is verb - Past Participle that:
The Ionian, afterwards Arrius gone there,
Now were no longer Ionian but "Hionian."
