I love _____^{Animal plural}_____. They have such a cute _____^{Body part}_____. I would be _____^{Feeling}_____ if I got to hold one! When they use the potty their poop is so _____^{Texture}_____. In _____^{Country}_____ _____^{Same animal plural}_____ cost about _____^{Number}_____ dollars. But you also have to get them a cage and buy them plenty of _____^{Noun}_____.

When you think, _____^{Same animal plural}_____ cost _____^{Number}_____ dollars in all, not including _____^{Place}_____ visits. so i don't think i'm ready for one yet. I need to get a job at somewhere like _____^{Place}_____ before I even think about buying a _____^{Same animal}_____. Maybe a _____^{Animal}_____ would be better.
