Rock from Dan

I got a special object from name of friend

That I found when I was going through my Adjective things

I just moved down to city in california

Living with some Adjective Noun - Plural

Trying to give myself some Noun

To Verb - Base Form from the break up with your ex lover

My body's Adjective and my heart is expletive ends in ING Verb - Present ends in ING

I got a special object from name of friend

That he Verb - Past Tense on our first kind of travel with the group you and your friend are in

We went camping at place one can camp and all took separate hikes looking for mystical force or

things from outer space

Things got pretty Adjective

Funny how much can change in a few Adjective years

I got a special object from name of friend

It's Adjective and fits in the part of body part of my body part

Sorting through my Noun - Plural

But fixated on stories of the Noun

Noun Verb - Present ends in S to Noun

Then

turns to _____ Noun _____ as it _____ Verb - Present ends in S _____ Adjective _____
