

## End of year madlib

1. Determiner
2. Proper Noun
3. Noun
4. Adjective

# End of year madlib

What a wonderful year Ms. Dranove's 4th graders have had! We started off this amazing year with a

PokeMensch theme that           Determiner                     Proper Noun           students loved. Do you remember entering

          Noun           on the           Adjective           day and taking a picture with Pikachu? That was awesome!! Ms.

Dranove quickly began teaching us language arts and math skills that every 4th grader needs to know.
