# Radicals Mad Lib

One day \_\_\_\_\_<sup>6</sup> was bored and wanted to play \_\_\_\_\_<sup>5</sup>. He called his friend \_\_\_\_\_<sup>4,5</sup> and asked if he could play outside. Soon enough they went outside and started to play. While they were playing \_\_\_\_\_<sup>5,3</sup> came outside too. They asked if they could join them in their game. During the game the \_\_\_\_\_<sup>3,6</sup> team was winning. The other team \_\_\_\_\_<sup>12,12</sup> was getting mad that they were loosing. So they started to play .. Everybody started playing better and better. It started to get dark outside so they all planned for a rematch. When the day came for the rematch the teams were prepared. They all agreed to play a different game \_\_\_\_\_<sup>7</sup> . . \_\_\_\_\_<sup>2,6</sup> game they were playing was getting intense. People started to gather around from the neighborhood to watch. When the games were all over they went to \_\_\_\_\_<sup>3</sup> house and watched the movie \_\_\_\_\_<sup>8,10</sup>. Everyone was happy and were friends again.
