Client Ready Problems

You: "The total for your new logo, and website is _____Number_____."

Client: "Are you kidding me? The reason I chose a _____Adjective_____ designer was to get _____Noun_____ cheap, plus help you out for your portfolio. I could have went to a _____Noun_____ and paid much less."

You: "Um, that's not true. I spent a lot of time _____Verb_____ with your _____Noun_____ who insisted on multiple revisions to the logo, and you ended up with a _____Noun_____ that everyone is pleased with. This same project might have cost you _____Number_____ times the amount I'm charging you. I think it's a great deal."

Client: "I highly doubt that. It's just _____Adjective_____ and _____Noun_____. Plus, our satisfaction has nothing to do with the amount we _____Verb_____ you. I'll send you a _____Noun_____ for what I think is fair."
