Client Ready Problems

You: "The total for your new logo, and website is _____Number."

Client: "Are you kidding me? The reason I chose a _____Adjective designer was to get _____Noun cheap, plus help you out for your portfolio. I could have went to a _____Noun and paid much less."

You: "Um, that's not true. I spent a lot of time _____Verb with your _____Noun who insisted on multiple revisions to the logo, and you ended up with a _____Noun that everyone is pleased with. This same project might have cost you _____Number times the amount I'm charging you. I think it's a great deal."

Client: "I highly doubt that. It's just _____Adjective and _____Noun. Plus, our satisfaction has nothing to do with the amount we _____Verb you. I'll send you a _____Noun for what I think is fair."
