# Silly Day at the Zoo

Margo had a very silly day at the zoo today! She saw all sorts of animals with her Occupation. She saw a(n) Animal with Color polka dots! There were silly tigers playing with Toy. She even saw camels with Shape humps on their backs! She giggled when she saw the zoo keepers feed the Animal her favorite food, Food. Even her Occupation started laughing when the monkeys were singing Song and the rabbits were saying Animal noise. On this silly day even the Animal had Pattern on their Body part. Today was a very silly day! Maybe tomorrow will be back to normal.
