14. Noun
15. Part Of Body

# Excuse Libs

So as I've said for the last \_\_\_\_\_ Number \_\_\_\_\_ Unit of time I fully intend to give game night with associates  
another chance even though hots is a \_\_\_\_\_ Adjective modern garbage hero-based game (i don't play hero-  
based moba's) unfortunately i'm so hung over from drinking so much over the last \_\_\_\_\_ Number  
\_\_\_\_\_ Unit of time that \_\_\_\_\_ Adjective bile is literally \_\_\_\_\_ Verb Present ends in ING out of my \_\_\_\_\_ Part of  
Body \_\_\_\_\_ and my horn wife's \_\_\_\_\_ Part of Body and \_\_\_\_\_ Part of Body that it would be impossible for me to  
join you guys tonight though I absolutely will once I have finished shitting on top of my \_\_\_\_\_ Location in  
front of a \_\_\_\_\_ Location \_\_\_\_\_ Number who I can't see because there is \_\_\_\_\_ Noun sealing shut my only  
good \_\_\_\_\_ Part of Body .
