# you make me so

You make me so Adjective sometimes I could just Verb Base Form you in the Part of Body.

You think you are so Adjective when you have a friend around. It makes me Adjective. I hope

you and First Name of a Person have a Adjective time together today. I am Verb Present ends in ING

. I will shop til I drop. I thought today was a day we were going to Verb Base Form together but now I

would rather have my Part of Body ripped out by Animal (plural). I know you made me

Adjective on purpose so you could hang out with your friend. Which now you have all the time you want

. So have him Verb Base Form your Noun, Verb Base Form Noun and

Verb Base Form up. I hope you two are very Adjective together.
