# The Christmas

There was a \_\_\_\_\_ family who had a \_\_\_\_\_ dinner at their house. The old \_\_\_\_\_  
said to not lets any \_\_\_\_\_ takes the gifts from the tree. Then some \_\_\_\_\_ flew in! Then  
they held up the \_\_\_\_\_ of them all- aunties. But the auntie was still there, so she  
jumped in front of her \_\_\_\_\_, just so the kids could get their \_\_\_\_\_. Minutes later, the  
whole \_\_\_\_\_ was \_\_\_\_\_ at the \_\_\_\_\_ of auntie esteen.

This was a Christmas to remember.
