Picture Day

It was picture day, one of the most of the year. It was my first year of middle school and I
didn't want to be know as girl. So I got ready as verb Base Form as I could so that I
would look good for my picture. When I was in, I didn't let body Part touch the back of
the seat so wouldn't When I finally got Adjective school I was dodging
all the students so they wouldn't mess up I had
student. When it was finally picture time, I was so I verb Present ends in ING really weird.
When It was finally my turn in, I smiled When I got my picture back, I
noticed that I had in my teeth. I was so focused on getting ready that I forgot to brush my teeth
this morning. What a day!
