# Ellison Zook

It was a \_\_\_\_\_ morning; my sister and I were \_\_\_\_\_  
waiting anxiously for my parents to wake up so we could open presents. We \_\_\_\_\_ them their  
favorite coffee to get them out of bed. 10 minutes later, everyone was gathered in our living room around our  
tree. Every \_\_\_\_\_ morning \_\_\_\_\_ and I look for a pickle ornament in our tree to  
decide who opens their gifts first, she is a lot \_\_\_\_\_ than I am at finding it. It was finally time  
to open up the presents, my sister and I got a lot of great gifts. My \_\_\_\_\_ favorite was my new  
laptop. I asked my sister which gift was here favorite, she said that it was her new phone. The rest of the day was  
filled with cleaning up all the wrapping paper in our house. \_\_\_\_\_ and I were very \_\_\_\_\_  
with our new things. It was the best \_\_\_\_\_ yet.
