Kelly B.

This spring I got a new calf! I _____Abstract Noun ______her. I named her ______Proper Noun ______. When she was first born she was very fond of running around her ________ and acting crazy! When she would run around, I would say " Sugar, ________ mass ________ was __________. The she usually just kept doing it. She is a Jersey, so she is _________ and looks kind of like a ________. Every night I feed her a bottle of milk. Sugar usually finishes her bottle pretty slowly, but one night she ________ her bottle super-fast! Sometimes I speak the ________ language to her to practice for school. She probably thinks I'm crazy! Sugar is in a pen with Shelly's calf Cora, but Sugar is _______. As of now, Cora is the _________ calf we own.
