High school Vs Middle school

I can not explain how much better high is than middle school. I have to admit that I was pretty
to start but by the end of the first day that was completely gone. I realized how much fun I was
going to have these next few I have so much more in school to do what I
want and I can do more classes i'm really in. And just the over all is so much
better. Out of school also I am able to do more things. Overall, High been treating me
Adverb and I am glad to be part of the Proper Noun Ridge Family.
