# Birthday Trip

For my 15th \_\_\_\_\_<sup>Event</sup> I went to California. I never been to California before, so I was very \_\_\_\_\_<sup>Adjective</sup> to go. I heard it was always hot and its the best state for vacation. On the first day, I celebrated my birthday at Venice Beach. The water was salter then I remembered when i was a kid. On the second day, we went to In and Out burger and \_\_\_\_\_<sup>Noun</sup>. On the third day, we went to Catalina Island. This was one of my best days of the whole vacation. I went \_\_\_\_\_<sup>Verb Present ends in ING</sup>, eat great food, and seen rare crabs due to a earthquake. The last few days we were in California we went to a Knott's Berry Farm water park and \_\_\_\_\_<sup>Verb Past Tense</sup> at our hotel pool. This trip was a great way to celebrate my birthday and end the summer.
