but I go for it, "Yeah" I say, "Sure, if you want" "Okay" my frien replies "Okay, see you later"
Anyways I look at the time and it's !: That phone call took forever! I rush to my Noun

you have any questions?" I replied " " they continued, and folded their questions on a piece of

"Now why would you	like to work for us	?" I replied "	'It seems aw-'	" they cut me off, oh I'm sorry, did you send
an application? I replie	ed "Yes or no	" then we	continued, I a	ced those questions and passed! I'm in the
