## A very bad desion

<u>First Name of a Person</u> went to the Dr.Phill show. I was so <u>Adjective</u> I was on TV. I went up there stood on the <u>Noun</u> and yelled "CASH ME OUT SIDE HOW BOW DAT". All the people mad funny faces at me like I just said something <u>Adjective</u>. Maybe they thought that the joke was to cool. Well I was wrong, Dr.Phill told me someone already said that. I was so <u>Noun</u>. I was gonna make it big.
