| 5. | Noun               |
| 6. | Boy's Name         |
| 7. | Best Friend's Name |
| 8. | Boy's Name         |

## I'M IN LOVE!!!

ONE DAY I'M GOING TO SCHOOL, AND IT WAS A FIRST DAY OF SHOOL,

| i saw a boy name                         | Boy's_name      | _and he is rea | ally     | ook like r               | nad           |  |  |
|--|-----------------|----------------|----------|--------------------------|---------------|--|--|
| hair an                                  | nd Color        | eyes.and h     | e really | Noun                     | _to me,then i |  |  |
| go tell teresa that i rea                | ally like       | Boy's name     | andB     | est friend's <u>name</u> |               |  |  |
| said"; you should go tell him the truth, |                 |                |          |                          |               |  |  |
|  |                 |                |          |                          |               |  |  |
|  |                 |                |          |                          |               |  |  |
| and the next day i go                    | tellhim the tru | ıth            |          |                          |               |  |  |
| and Boy's name                           | _said i'm real  | ly sorry i hav | a        |                          |               |  |  |
| girlfriend already,                      |                 |                |          |                          |               |  |  |

i go home and cry all night....:(
