## Hypothesis: Situation #6

Hypothesis: Situation #6 by Adrian Piper is an Adjective graph and hypothesis relating to the space-time continuum. Piper intends to Verb Base Form the human Part of the Body by giving viewers a detailed analysis of our understanding of the movement of space and time. It's definitely difficult to understand because the topic it Verb Present ends in S is very Adjective, but breaking it down Piper creates a wonderful Noun about the connection of human consciousness to the Noun Plural around us during certain space-time intervals.
