# A Love Story

It was a \_\_\_\_\_ Adjective and \_\_\_\_\_ Adjective night, or at least that was the setting for the book I was currently reading when you \_\_\_\_\_ Verb Past Tense in. It was actually quite \_\_\_\_\_ Adjective that day. You were wearing a polka-dot dress; we matched. And we both looked really \_\_\_\_\_ Adjective, almost as good as we do now. That's how most love stories start, but I think I remember how we got here a little differently. The below is what actually happened.

There were \_\_\_\_\_ Animal (plural) everywhere. I had my \_\_\_\_\_ Noun sheathed in its holster and you were already \_\_\_\_\_ Verb Present ends in ING away with the \_\_\_\_\_ Country Prince's prized jewel: The \_\_\_\_\_ Adjective - \_\_\_\_\_ First Name of a Person. You looked back at me with \_\_\_\_\_ Facial Expression, thinking you'd left me to be \_\_\_\_\_ Adverb \_\_\_\_\_ Verb Past Tense by the \_\_\_\_\_ Animal (plural), or \_\_\_\_\_ Adverb \_\_\_\_\_ Verb Past Tense by the \_\_\_\_\_ Animal (plural). "That's the last time I team up with you to run a heist at the \_\_\_\_\_ Country - \_\_\_\_\_ Civic Locale!" I shouted. It wasn't the \_\_\_\_\_ Number time we'd run a scam together. It wasn't even the \_\_\_\_\_ Number time you betrayed me to \_\_\_\_\_ Verb Base Form off with the goods, and I hated it. Mostly I hated the way I didn't hate you. Not even a \_\_\_\_\_ Measurement, not even at all.

"What will you do now?" the Prince asked \_\_\_\_\_ Adverb. "We've got you surrounded and your \_\_\_\_\_ Article Of Clothing are missing." He was right, I hadn't thought that part through. But I wasn't about to let you \_\_\_\_\_ Verb Base Form me at my own game, as they say. I \_\_\_\_\_ Verb Past Tense on a nearby \_\_\_\_\_ Animal and

\_\_\_\_\_ Adverb screamed " \_\_\_\_\_ Exclamation!". In the confusion, and partly due to my slight nudity, I was able to escape by the skin of my \_\_\_\_\_ Body Part. I had to get back to \_\_\_\_\_ Country before you did to set a trap and steal the Prince's prized jewel for myself. I found the closest \_\_\_\_\_ Type Of Transportation and took it to the station to make my \_\_\_\_\_ Adjective journey back.

As I sat down in my \_\_\_\_\_ Adjective coach seat, I began to sense that something was wrong. A woman number rows ahead of me was wearing a \_\_\_\_\_ Adjective \_\_\_\_\_ Color wig and a large \_\_\_\_\_ Noun. She was \_\_\_\_\_ Adjective and looked like she was in a hurry. She shouted " \_\_\_\_\_ Exclamation!" and took a \_\_\_\_\_ Noun out of her purse. "Everyone off, I'm driving this thing myself!" she yelled \_\_\_\_\_ Adverb. You were done waiting for the pilot, impatient as ever. I hid behind the nearest \_\_\_\_\_ Noun and waited for everyone to make their way off. You hadn't seen me because I was quiet as a \_\_\_\_\_ Animal, trained by Buddhist \_\_\_\_\_ Profession. As you sat at the \_\_\_\_\_ Noun and began to put us in gear, the pilot came out of the bathroom. "Hey, what's going on here?" he asked \_\_\_\_\_ Adverb. You got up, punched him in the \_\_\_\_\_ Body Part, and threw him out the door into a puddle of \_\_\_\_\_ Liquid. Intimidated, I decided to lay low for \_\_\_\_\_ Length Of Time .

I awoke from an odd dream about \_\_\_\_\_ Noun Plural to find you staring down at me. "Thought you could outsmart me, eh?" you asked in an \_\_\_\_\_ Adjective tone while stroking your \_\_\_\_\_ Body Part. I reflexively reached for my \_\_\_\_\_ Noun, but my hand didn't move anywhere. "I took the liberty of handcuffing you to this heavy

\_\_\_\_\_ Noun " you said. Strange, I thought to myself; you'd \_\_\_\_\_ Verb Past Tense me again, but you hadn't killed me. As I looked up at you, your expression changed \_\_\_\_\_ Adverb. " \_\_\_\_\_ Exclamation ..." but you were cut off as \_\_\_\_\_ Noun Plural began to \_\_\_\_\_ Verb Base Form right by us. The Prince was back, and he had brought a few \_\_\_\_\_ Noun Plural with him. He was after his prized jewel! "I've found you, you \_\_\_\_\_ Adjective \_\_\_\_\_ Noun!" he roared. "That's a compliment where I'm from!" you retorted, but I could see you were visibly \_\_\_\_\_ Adjective.

"Let me go and I'll help get you out of this \_\_\_\_\_ Noun" I said as I looked into your \_\_\_\_\_ Body Part. You looked \_\_\_\_\_ Adjective, but you uncuffed me and handed me \_\_\_\_\_ Adjective \_\_\_\_\_ Noun. "Make it count" you said and pulled a \_\_\_\_\_ Noun out of your purse; \_\_\_\_\_ Adverb \_\_\_\_\_ First Name of a Person was etched on the side. Classy, as always. We didn't have much time - the Prince pulled up close to us, close enough he could see the whites of our \_\_\_\_\_ Body Part. He drew his \_\_\_\_\_ Noun, outlawed by the Geneva Convention for its \_\_\_\_\_ Adjective power, now pointed right at us. " \_\_\_\_\_ Verb Base Form" I commanded you. I took a nearby \_\_\_\_\_ Noun and tossed it at him. You looked at me, \_\_\_\_\_ Adverb. "I was out of ideas" I shrugged, but something was happening. Something \_\_\_\_\_ Adjective. " \_\_\_\_\_ Exclamation, I'm allergic! How did you know?!?" The Prince was \_\_\_\_\_ Verb Present ends in ING all over the place, and eventually abandoned his pursuit. "This isn't the last you've seen of me" he shouted, retreating into the \_\_\_\_\_ Adjective \_\_\_\_\_ Noun.

We didn't have much time to celebrate, as a fire had begun to spread on the \_\_\_\_\_ Noun. "We've got to get out of

here" I said Adverb. I looked around. There was only Adverb Noun left. It was clear -  
only one of us was making it out alive. "Take it" I said. You looked at me with a Noun in your eye "...  
but you'll die". "Then I'll die as I lived..." I said, caressing your Body Part. "... taking Proper Noun  
and kicking Proper Noun ." I Verb Past Tense you off the side and watched as you Adverb  
Verb Past Tense into the horizon. The last you saw of me was a Adjective explosion.

Weeks later you were having Type Of Food at your favorite spot: The Adjective Noun.

You had sold the jewel for a Adjective price on the Color market. Your life was made, but  
something was missing. You were Adjective. "This seat taken?" a voice appeared out of nowhere. You  
looked up and saw me: Adjective and Adjective, but otherwise in good shape.

You looked at me with a smirk on your face "You Adjective son of a Noun".
