# My Day At The State Park

One summer Tuesday, I was \_\_\_\_\_ Verb Present ends in ING down the sidewalk at \_\_\_\_\_ Location State Park when I saw two people \_\_\_\_\_ Verb Present ends in ING on a \_\_\_\_\_ Noun. I said, " \_\_\_\_\_ Exclamation! What are you doing?" They replied, "Oh, we're just \_\_\_\_\_ Verb Present ends in ING this bush, wanna join?" To that, I lied, "No, I have too many things to \_\_\_\_\_ Verb Base Form." Then I left. I walked deeper into the park and almost tripped on a \_\_\_\_\_ Noun! I threw a \_\_\_\_\_ Noun at it. As the bird fell from the sky, a \_\_\_\_\_ Adjective bird swooped down and ate the falling bird! I was \_\_\_\_\_ Adjective. Needless to say, I ran out of that situation quickly. I was running so fast that I ran into a \_\_\_\_\_ Noun. Little did I know, this tree was LOADED with monkeys. The \_\_\_\_\_ Adjective monkeys jumped toward me and started to \_\_\_\_\_ Verb Base Form me! I got out of there safe, but I lost my \_\_\_\_\_ Noun through the chaos.

As I wandered through the wilderness, my \_\_\_\_\_ Part of Body started to make noises. It was definitely time to \_\_\_\_\_ Verb Base Form. I reached into my bag and pulled out \_\_\_\_\_ Number \_\_\_\_\_ Food bars. As I was enjoying my food, a \_\_\_\_\_ Animal crawled up my \_\_\_\_\_ Part of Body and into my shorts! My body tingled as the lizard crawled higher and higher, eventually reaching my \_\_\_\_\_ Part of Body. As the \_\_\_\_\_ Adjective lizard stared into my eyes, it stuck its tongue out and licked my \_\_\_\_\_ Part of Body. I got up and flailed madly, shaking the lizard off of me, along with my food. The lizard, now on the ground, grabbed my last \_\_\_\_\_ Food bar and fled! Realizing I had no food left. I dropped to my knees and began to \_\_\_\_\_ Verb Base Form. I was lost, hungry, hot, and most of all, \_\_\_\_\_ Adjective. I lay down and feel myself drifting into the dark.

As I wake up, I realize I am in my \_\_\_\_\_ Noun. It was all a \_\_\_\_\_ Noun!
