## Boiia's (not so) bad dentist visit.

Hello, my name is \_\_\_\_\_  
Name of a person you know. I love \_\_\_\_\_  
Noun and i hate going to the dentist. I had an  
end of the year party with TONS AND TONS OF \_\_\_\_\_  
Noun. I was like "woooooo this \_\_\_\_\_  
Repeat Last  
\_\_\_\_\_ is soooooo good". After that, I went home. I was \_\_\_\_\_  
Adjective the year was finally over.

While playing \_\_\_\_\_  
Sport with Ball with my \_\_\_\_\_  
Noun Plural in the neighborhood I said "I got this.". I caught  
the ball and i got \_\_\_\_\_  
Verb Past Tense very \_\_\_\_\_  
Adverb, after that I got a \_\_\_\_\_  
Part of Body ache . I went  
to tell my \_\_\_\_\_  
Noun, and she told me we were going to the dentist. " \_\_\_\_\_  
Thing that you say when you are upset!" I  
said and I knew it would be \_\_\_\_\_  
Adjective.

When we got there we were \_\_\_\_\_  
Verb Past Tense by this nice \_\_\_\_\_  
Noun she told us we would have to wait  
about \_\_\_\_\_  
Number minutes politely. \_\_\_\_\_  
Repeat Last Number minutes later... "Your dentist is ready" the nice  
\_\_\_\_\_  
Noun said. I thought " \_\_\_\_\_  
Thing that you say when you are upset!!!!". When we got in the \_\_\_\_\_  
Noun, i was  
scared because i saw \_\_\_\_\_  
Noun Plural and so much more bad stuff.

After that, the dentist put me on this chair like \_\_\_\_\_  
Noun. He asked me which \_\_\_\_\_  
Repeat Last Part of Body  
hurt, and i told him the one to the right side of the right front \_\_\_\_\_  
Repeat Last Part of Body. Then he put some  
weird stuff on that \_\_\_\_\_  
Repeat Last Part of Body so it didn't hurt. He \_\_\_\_\_  
Physical contact to human: verb past tense the  
\_\_\_\_\_  
Repeat Last Part of Body and asked me "does it hurt?".

He turned a light on and it was so bright he gave me           Noun Plural          . Then he tried to pull my  
          Repeat Last Part of Body           out but i shouted "          Thing that you say when you are upset          ". After that he told me the  
tooth wouldn't hurt if he pulled it out. I asked "how?" "You know that paste that i put on your           Repeat Last  
Part of Body          ?" "yeah." "that makes it not hurt.". So i let him pull it out, and after all it actually did not hurt AT  
ALL! Now I think going to the dentist is actually not as bad as i           Verb Base Form          !
