Genital Highschool

It was a _____ day in the town of Tity Town, and the Freshman kids in Genital High School were getting ready for their _____ year in such a _____, _____ place!

_____ had just got her list of class and was about to leave her house when her _____ stopped her, "Don't forget to be yourself. Try not to act like your on your period." Before her _____ said period, _____ shook her head and left. Her mother _____ and mumbled, "I hate that failed _____." _____ got to her school and with _____ eyes, she blushed. It was so beautiful. Cherry Blossom tree lined a flagstone path way. A large brick building painted with a pearly _____, a pastel _____ and _____. The School was surrounded by vast fields with dirt _____ that lead to the track and the outdoor swimming pool, the dirt _____ line with Calla Lilies and Petunias. She enter the school building with hesitation and had this feeling like it was going to be a good year. That's when she saw them... _____, _____, and _____, in all of their glory. They were all stuck in conversation until they all nodded at each other and went separate ways. _____ blushed at the strut of _____ walk. _____ regained herself, going into her English class. And there he was, _____ sat in the far back, near the window. Every student in the room had to go up to the front of the class and introduce themselves. It was _____ turn, she went up with her hands behind her back, "H-hello, I am _____... I have _____... I like drawing and I work at the Nuzzily Wuzzily mart down the street..." She said but, soon after she went back to her seat, she could hear whispers about her, which made her upset. _____ raised her hand and ask to go to the

Room in House, as soon as she Verb - Ends in ED out of the classroom, she took a hecking sit and broke down. She heard the door open, she looked up to see..
