## Life in the 1950s

Growing up in the 1950s was very compared to today. Before most homes had		
Plural, days were spent listening to theNoun,Verb Present ends in ING the and		
playing <u>Noun</u> games. Housework was very <u>Adjective</u> because people did their washing by		
Part of Body, instead of in a <u>Noun</u> , and with <u>Noun Plural</u> being a luxury item for most		
people, <u>Food</u> had to be bought <u>Adverb</u> . Unlike today, there were barely any <u>Adjective</u>		
food outlets except for the local <u>Food</u> shop where the wives would send their <u>Adjective</u> children		
to bring back It was uncommon for women to work and many took on the		
childcare and work, while their Husbands or Wives went to Husbands		
usually had jobs as <u>Plural Occupation</u> or <u>Plural Occupation</u> and would come home to a		
Adjective plate of <u>Food</u> and crank on the radio with their <u>Part of Body</u> up resting on a		
Noun Women would wear highAdjective trousers orAdjectiveleg pants and men		
would often wear <u>Plural Clothing</u> , <u>Verb Present ends in ING</u> shirts and shiny <u>Color</u>		

Adjective shoes.
