17. Same Name Of Person
18. Type Of Food
19. Type Of Disease
20. Number

# Finding Treasure

One day me and my friend \_\_\_\_\_ were \_\_\_\_\_ each other when a news report came on the radio. A \_\_\_\_\_ had been spotted carrying treasure and had supposedly buried it somewhere near my house. \_\_\_\_\_ and I stopped \_\_\_\_\_ each other and decided to go and find the treasure. We put on our \_\_\_\_\_, brushed out \_\_\_\_\_ and did a \_\_\_\_\_ in the hallway before leaving.

We searched for nearly \_\_\_\_\_ minutes before we found the \_\_\_\_\_ on the ground. We knew that this marked the spot where the treasure was. We forgot to bring spades so we used \_\_\_\_\_ to dig the treasure out.

It was \_\_\_\_\_ and our backs ached as we dug \_\_\_\_\_ to get the treasure. All of a sudden we heard a "\_\_\_\_\_". We knew we had found it. We lifted up a huge \_\_\_\_\_ and began to open it up. What we found inside was not what we could have imagined. We found a life time supply of \_\_\_\_\_.

Me and \_\_\_\_\_ decided to split it. That night we celebrated with \_\_\_\_\_ of food and then I died of \_\_\_\_\_ days later.
